Westercon 71 Business Meeting Minutes

Thank you to all who joined us at the Westercon business meeting! It was quite an active meeting, and the full 9-page minutes (as well as the current bylaws) are available at:

<http://www.westercon.org/organization/business/> .

For a quick summary: After it was announced that Seattle won the site selection for Westercon 73, there were four other items of substantive business at the meeting:

- **C.1.** Membership Numbers (to clarify usage of members' membership numbers by convention committees): **Failed**
- **C.2.** First Full Day (to clarify the meaning of the phrase "first full day" in the Bylaws): **Failed**
- **C.3.** Bidders at Site Selection Table (requires bidders to provide at least one poll-watcher during at-convention site selection voting): **Passed** (must be ratified at Westercon 72 in Layton to become part of the Westercon Bylaws)
- **C.4.** Westercon for All North America (would redefine scope of convention so that it could be held anywhere in North America): **Postponed Indefinitely**

Website Archive

As is traditional, the domain Westercon71.org will eventually expire. You can find a permanent home / backup of all Westercon 71 / Myths and Legends Con 6 content at

<https://www.malcondenver.org/archive/y2018/>. Here you'll find the schedule, guest and panelist information, daily newsletters during the convention, and more! To report any errors, please email info@malcondenver.org.

Finance / Treasury

Westercon 71 participated in the new pass-along funds program. Those Westercons who participate in the pass-along funds receive 25% of the profit of the previous two participating Westercons (which helps with initial startup costs and gives a buffer against unexpected costs), as long as they agree to pass along 25% of their own profit to the next two participating Westercons. We were pleased to pass along \$1,500 to each of Westercon 72 and Westercon 73.
